

REMARKS/ARGUMENTS

The Examiner has objected to the response filed by Applicant on May 14, 2010 as not fully responsive to the prior Office Action because of errors in the claim numbering. Applicant submits herewith a revised claim set in which the claim numbering and dependencies have been corrected. Support for the amendments can be found in the application as originally filed, as specified in Applicant's response of May 14, 2010. In addition, Applicant is submitting herewith an Information Disclosure Statement for consideration, along with the required fee.

Applicant respectfully submits that in view of the amendments submitted herewith, the remarks set forth in Applicant's May 14, 2010 reply, and the reasons in Applicant's prior responses, the claims are now in condition for allowance and eventual issuance. Such action is respectfully requested. Should the Examiner have any further questions or comments which need be addressed in order to obtain allowance, please contact the undersigned attorney at the number listed below.

Acknowledgement of receipt is respectfully requested.

Respectfully submitted,
